"Every Breath You Take"

Every breath you take, every move you make
Every bond you break, every step you take
Iâll be watching you

Every single day, every word you say
Every game you play, every night you stay
Iâll be watching you

Oh, can't you see you belong to me
How my poor heart aches with every step you take

Every move you make, every vow you break
Every smile you fake, every claim you stake
Iâll be watching you

Since you've gone Iâve been lost without a trace
I dream at night, I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please

Oh, can't you see you belong to me
How my poor heart aches with every step you take

Every move you make, every vow you break
Every smile you fake, every claim you stake
Iâll be watching you
Every breath you take, every move you make
Iâll be watching you
Iâll be watching you
Iâll be watching you
Iâll be watching you
Iâll be watching you
Iâll be watching you
Iâll be watching you
Iâll be watching you
Iâll be watching you
