I never promised you romance
I never said that I would dance
And Iâ€™m not learning
I never said Iâ€™d buy you rings
I never promised you a thing
And Iâ€™m not turning

But I would put no-one above you
And you will always know I care
As long as you will let me love you
Iâ€™ll be there

You ask me could I love you more
Thereâ€™s only you that I adore
But youâ€™re not believing
Nor would I ever break your heart
I couldnâ€™t bear to be apart
So Iâ€™m not leaving

Cos I would put no-one above you
And you will always know I care
As long as you will let me love you
Iâ€™ll be there

Cos I would put no-one above you
And you will always know I care
As long as you will let me love you
Iâ€™ll be there

You ask me could I love you more
Thereâ€™s only you that I adore
But youâ€™re not believing
Nor would I ever break your heart
I couldnâ€™t bear to be apart
So Iâ€™m not leaving

Cos I would put no-one above you
And you will always know I care
As long as you will let me love you
Iâ€™ll be there

Cos I would put no-one above you

And you will always know I care
As long as you will let me love you
IÂ'll be there
IÂ'll be there
