UB40 & Robert Palmer

Close your eyes, close the door
You don't have to worry any more
I'll be your baby tonight

Shut the line, shut the shade
You don't have to be afraid
I'll be your baby tonight

Oh well a mocking bird's gonna sing away
And we gonna forget it
Big old moon's gonna shine like a spoon
And we gonna let it, you won't regret it

Kick your shoes off, do not fear
Bring that bottle over here
I'll be your baby tonight

Be my baby, be my baby
Be my baby, be my baby
I'll be your baby tonight

Oh well a mocking bird's gonna sing away
And we gonna forget it
Big old moon's gonna shine like a spoon
And we gonna let it, you won't regret it

Kick your shoes off, do not fear
Bring that bottle over here
I'll be your baby tonight

Be my baby, be my baby
Be my baby, be my baby
I'll be your baby tonight
I'll be your baby tonight
I'll be your baby tonight
