Legalize it, don't criticize it
Legalize it, yeah, yeah, and I will advertise it

Some call it tampee, tampee
Some call it the weed
Some call it marijuana, marijuana
Some of them call it ganja, ganja

Every man got to legalize it, and don't criticize it
Legalize it yeah, yeah, and I will advertise it

Singers smoke it
And players of instrument too
Legalize it, yeah, yeah
That's the best thing you can do

Doctors smoke it, nurses smoke it
Judges smoke it, even the lawyer too

So you've got to legalize it, and don't criticize it
Legalize it, yeah, yeah, and I will advertise it

It's good for the flu, a good for asthma
Good for tuberculosis, even umara composis

Got to legalize it, don't criticize it
Legalize it, yeah, yeah, I will advertise it

Birds eat it, ants love it
Fowls eat it, goats love to play with it

So you've got to legalize it, don't criticize it
Legalize it, yeah, yeah, and I will advertise it

Keep on telling you, legalize it
