Iâ€™m a one woman man after all these years
Iâ€™ve sailed with the tide and Iâ€™ve seen your tears
New port in a storm, Iâ€™ve made it my home
In the arms that I wanted when I was alone

And when the moon was dark I would dream of when
Into the night, until another day
Oh, when the sun comes up I just wanna see
The woman that I love lying next to me

Iâ€™m a one woman man, I gotta say
You know that it hasnâ€™t always been this way
But thatâ€™s all changed, I can see it at last
Iâ€™ve waved goodbye to my chequered past
And when the moon was dark I would dream of when
Into the night, until another day
Oh, when the sun comes up I just wanna see
The woman that I love lying next to me

Iâ€™m a one woman man and thatâ€™s no lie
I got no use for no â€¦â€¦â€¦
Ainâ€™t got no time, cos time can fly
And Iâ€™m not withered and I canâ€™t get high

And when the moon was dark I would dream of when
Into the night, until another day
Oh, when the sun comes up I just wanna see
The woman that I love lying next to me
