In our youthful condemnation  
The truth speaks for itself  
That in a time of darkness  
Someone cried for help  
So we told a simple story  
Of innocence and lies  
How the truth became so twisted  
In a single judge's eye

Chorus:

A brave new rainbow nation  
Was floating on the tide  
In a sea of expectation  
And a humble sense of pride  
But the wave of solidarity  
That swept across our land  
Is broken on the rocks  
Left lifeless on the sand

It all seemed very simple  
Let the guilty take the blame  
We can sing our songs of freedom  
And put them all to shame  
Shine a light into the darkness  
Let them hear his name  
But the more we try to change things  
The more they stay the same

Chorus:

A brave new rainbow nation  
Was floating on the tide  
In a sea of expectation  
And a humble sense of pride  
But the wave of solidarity  
That swept across our land  
Is broken on the rocks  
Left lifeless on the sand

And no one else but Tyler  
Knows exactly what he's missed  
He's a man that's disappearance

Is slowly ceasing to exist  
And the only contribution  
That he has left to give  
Is the simple tragic story  
Of the life he's never lived

Chorus:

A brave new rainbow nation  
Was floating on the tide  
In a sea of expectation  
And a humble sense of pride  
But the wave of solidarity  
That swept across our land  
Is broken on the rocks  
Left lifeless on the sand
