There's a rat in the kitchen what am I gonna do?  
There's a rat in the kitchen what am I gonna go?  
I'm gonna fix that rat thats what I'm gonna do,  
I'm gonna fix that rat.

When you open your mouth you don't talk, you shout  
And you give every body the blame,  
But when they catch you up,  
They will shut you up  
And you got no one to blame

Chorus

There's a rat in the kitchen ..... Etc

When you out on the street,  
You practice lies and decept  
And you scandalize my name  
But when I catch you up  
I'm gonna pull you up  
I'm gonna check-out inside your brain

Chorus

There's a rat in the kitchen ..... Etc

when yo deh pon the scene,  
You make everyone scream  
Because they know your so unjust  
But when they catch you up  
They will kick you up  
Because you someone they cannot trust

Chorus

There's a rat in the kitchen ..... Etc

You invade my space  
Make me feel disgraced  
And you just don't give a damn  
If I had my way

If I had my say  
I'd like to see you hang

Chorus

There's a rat in the kitchen ..... Etc Repeat chorus and  
fade
