Seven on a Monday morning  
And it's a sunny day  
It's just too hot to be working, yeah  
But you've got to pay your way

So here I am sitting at the bus stop  
Wishing I was somewhere else  
Where I didn't have to work my rocks off  
Wishing, I could please myself

Ten hours a day, I'm grafting  
Under the bosses eye  
Earn just enough to keep going  
Making cars, I'll never buy

So here I am sitting at the bus stop  
Wishing I was somewhere else  
Where I didn't have to work my rocks off  
Wishing, I could please myself

Five days a week, I'm giving  
My time is clocking on  
Just two days left for living  
Wondering where my life has gone

So here I am sitting at the bus stop  
Wishing I was somewhere else  
Where I didn't have to work my rocks off  
Wishing I could please myself

So here I am sitting at the bus stop  
Wishing I was somewhere else  
Where I didn't have to work my rocks off  
Wishing I could please myself
