I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now

So long I've been waiting
Waiting for you, oh yeah
Now the time has come
And it's between me and you, oh Lord

I said, the train is coming, baby
I said, the train is coming now, now, now, now
I said, the train is coming, baby
And I am leaving on that train, Lord

I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now

Everyday I pray for this little hour
Now the time has come
And I want you to stand by me

Because the train is coming, baby
And we are leaving on that train
And we will roam this land
Where we all will be free, Lord

I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now

I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now

Everyday I pray for this little hour
Now the time has come
And I want you to stand by me

Because the train is coming, baby
And we are leaving on that train
And we will roam this land
Where we all will be free, Lord

I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now

I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now

I said, the train is coming, baby
I said, the train is coming now
I said, the train is coming, baby
I said, the train is coming now
