Lose, you're gonna lose
Things you say you love
You're gonna lose

Can't last too long
The way you are shaping
Can't last too long
The way you're vibrating

Lose, your gonna lose
Things you say you love
You're gonna lose

Can't last too long
The way you are flirting
Can't last too long
The things you are doing - that's why I say

Lose, you're gonna lose
Things you say you love
You're gonna lose

Can't last too long
The way you are flirting

Can't last too long
The things you are doing

Lose, you're gonna lose
Things you say you love
You're gonna lose

Can't last too long
The way you are shaping
Can't last too long
The way you're vibrating

That's why I say

Lose, you're gonna lose
Things you say you love
You're gonna lose

Things you say you love
You're gonna lose

Things you say you love
You're gonna lose

Things you say you love
You're gonna lose
