You got a smile so bright

You know you could have been a candle

I'm holding you so tight

You know you could have been a handle

The way you swept me off my feet

You know you could've been a broom

And babe you smell so sweet

You know you could've been some perfume

(Chorus)

Well you could of been anything that you wanted to

I can tell

The way you do the things you do

I like the way you do the things you do

As pretty as you are

You know you could've been a flower

If good looks were minutes

You know you could have been an hour

The way you stole my heart

You know you could have been a crook

And baby your so smart

You know you could have been a school book

(Chorus)

Well you could of been .....(Etc)

You make my life so rich

You know you could've been some money

And baby you're so sweet

You know you could have been some honey

(Chorus)

Well you could of been .....(Etc)

As pretty as you are

You know you could've been a flower

If good looks were minutes

You know you could have been an hour

The way you stole my heart

You know you could have been a crook

And baby your so smart

You know you could have been a school book

(Chorus)

Well you could of been .....(Etc)
