"Who You Fighting For?"

Who you fighting for?

Queen and Country, freedom cry
God and Glory, Do or Die
Propaganda, Spin and Lie
Who are you fighting for

You do the shootin', they do the lootin'
You do the killin', they do the drillin'
You do the dyin', they do the lyin'
All the way to the bank, you can hear them cryin'

Sell the arms, suppress the truth
Create the fear, invent the proof
Wave the flag, don't tell the youth
Who they are fighting for

You do the shootin', they do the lootin'
You do the killin', they do the drillin'
You do the dyin', they do the lyin'
All the way to the bank, you can hear them cryin'

You do the shootin', they do the lootin'
You do the killin', they do the drillin'
You do the dyin', they do the lyin'
All the way to the bank, you can hear them cryin'

Weapon dealin', profiteerin'
Country stealin', ethnic clearin'
Asset strippin', oil drippin'
Architects of War

You do the shootin', they do the lootin'
You do the killin', they do the drillin'
You do the dyin', they do the lyin'
All the way to the bank, you can hear them cryin'

You do the shootin', they do the lootin'
You do the killin', they do the drillin'
You do the dyin', they do the lyin'
All the way to the bank, you can hear them cryin'

You do the shootin', they do the lootin'
You do the killin', they do the drillin'
You do the dyin', they do the lyin'
All the way to the bank, you can hear them cryin'
