Hit it!

Oh well now!

When I was a little girl
My mama sat me down and told me all about the world
Well now she, she told me true
She said one day you would probably break my heart in
two

But now I, I beg to differ baby
I don't take it the way you like to give it
Now look at you, on your knees
Sweet as sugar baby, sayin' please

I said I'm looking at you, well
Said I'm looking at you, uh-huh
I said I'm looking at you

Now who the hell are you
To treat me like that?
I don't care where you been, what you done
Or where you're at
Now who the hell are you
To act the way you do?
You won't be smiling by the time I'm through with you
Now who the hell are you?

Oh well now!

Ain't no cheating, ain't no lying
Ain't no explaining, justifying going on around here
Now stand up, and be a man
If you want it, come and get it baby, catch me if you
can

Come on and catch me if you can
Well you know that, if you want it
Come and get it, if you want it - ow!

Now who the hell are you

To treat me like that?
I don't care where you been, what you done
Or where you're at
Now who the hell are you
To act the way you do?
You won't be smiling by the time I'm through with you
Now who the hell are you?

Now when I was a little girl
My mama sat me down and told me all about the world
Well now she, she told me true
She said one day you would probably break my heart in

But now I, I beg to differ baby
I don't take it the way you like to give it
Now look at you, on your knees
Sweet as sugar baby, sayin' please

I said I'm looking at you, well
Said I'm looking at you, uh-huh
I said I'm looking at you

Now who the hell are you
To treat me like that?
I don't care where you been, what you done
Or where you're at
