Lost in my mind
Lost here in time
Lost somewhere
Inside your lies
Lost in my mind
Lost here in time
Lost somewhere
Inside your lies

I know one day I'll be free
Escape from your self built hell
I know one day I'll be free

Lost in time
I can't find
My way out
Of my mind

I know one day I'll be free
Escape the confines of my self built hell
I know one day I'll be free
I'll be free

Lost in my mind
Lost here in time
Lost somewhere
Inside your lies
Lost in my mind
Lost here in time
Lost somewhere
Inside your lies

How did i get here
I can't find the path that's clear
To escape from your fear

I know one day i'll be free
Escape the confines of my self built hell
I know one day i'll be free
I'll be free

I know one day i'll be free
Escape the confines of my self built hell
I know one day i'll be free
I'll be free
