Stop

Please stop

My friend you don't see  
You can't manipulate me  
I see right through your lies  
Every time that you try  
You've done so much for me  
I don't want this to end badly

I can't listen to you  
Telling me these half truths  
I will push you away  
But I want you to stay  
I want you to stay

So stop  
Please just stop

Stop telling me what you want me to know  
Leaving the rest for me to find on my own  
Can't you see  
Lies are ruining this comradery?

So stop  
Please stop

I can't listen to you  
Telling me these half truths  
I will push you away  
But I want you to stay  
I want you to stay

Your cantankerous ways  
Are driving me insane

So I'm begging you please  
Don't ruin this for me  
Everything we worked for  
Will end in an uproar

I can't listen to you  
Telling me these half truths  
I will push you away  
But I want you to stay  
I want you to stay  
But I will push you away!

Stop  
Just stop  
I said stop!
