Hey Mr. Busman come and pick me up
I wanna get to school now
And when the bell rings
I have to be in my seat
It's gonna drive me crazy

Buses, Buses
Buses Get the people to the school (yeah)
Buses have way to many rules (yeah)

I woke up to late, I forgot to set my clock
I better get to the bus now
It's like quarter of 8 and I am supposed to be in school
now,
just like every day

Buses, Buses
Buses Get the people to the school (yeah)
Buses have way to many rules (yeah)

Hey Mr. Busman come and pick me up
I wanna get to school now
And when the bell rings
I have to be in seat
It's gonna drive me crazy

Buses go beep beep beep
Buses go beep beep beep (x 2)

Hey Mr. Busman come and pick me up
I wanna get to school now
And when the bell rings
I have to be in my seat
It's gonna drive me crazy

Buses, Buses
Buses get the people to the school (yeah)
Buses have way to many rules (yeah)

Hey, here comes another, will it pick me up
I might get to school now

It stopped in front of me
And drove me away
I am in the school now.... weeeee

Buses, never come on time
I swear I'll never ride again
Buses make the people late for school
day in and out
