Love is like a pair of cuffs
Once they're lock'd, then you're stuck
Oh, tough luck

And I don't know if you care
'Cos we do it everywhere
Just take my hand
I swear we'll get there

Lovelock'd, Lovelock'd
Every night and every day
We are Lovelock'd, Lovelock'd
Give me the key and I'll throw it away

Lovelock'd, Lovelock'd
All night long, every single day
We are Lovelock'd, Lovelock'd
All our life

Love is like an open book
Leaves you naked
For everyone to look

And I don't know if you care
'Cos we do it everywhere
Just take my hand
I swear we'll get there

Lovelock'd, Lovelock'd
Every night and every day
We are Lovelock'd, Lovelock'd
Give me the key and I'll throw it away

Lovelock'd, Lovelock'd
All night long, every single day
We are Lovelock'd, Lovelock'd
All our life
