That night she said  
You know, my darling  
There's one thing you don't know about

Her story felt like  
A kick from behind  
Am I dreaming

Promised myself I never will  
Forget that night  
First time her mouth revealed the lie

Oh No, No, No  
How low can you go?  
Oh  
I don't wanna know  
Don't let me go

And as I said it all before  
Should you ever pull a stunt like that  
No, I don't know...

Have I, Should I  
Was I suspecting anything?  
My life was your life  
Look how this ruined it completely

And in time I know, you will cry  
Weep for the guilt, the regret and  
You realize how bad  
The deal was you had  
A one night stand

Promised myself I never will  
Forget

Oh No, No, No  
How low can you go?  
Oh  
I don't wanna know

What, I can't hear you  
My life, it can't be true  
Oh  
I don't wanna go

We can't go on  
What's done is done  
And it still is way too hard  
To let go

But time goes by  
So goes that night  
After all my life is my own  
Your life is your own

Oh No, No, No  
How low can you go?  
Oh  
I don't wanna go

What, I can't hear you  
My life, it can't be true  
Oh  
I don't wanna know

Oh No, No  
Oh No, No  
Oh No, No  
Cut the crap and go
