I wake up feeling lost without you  
And the pain reminds me that I'm all alone  
Those dreams we had, are now a nightmare  
I feel just like a dog without a bone

Now is now and then was then  
But I can't get used to being without you

It's a brand-new start and now I know that I should've  
But I never ever thought I'd miss your eyes  
"say" here we go again

All I need is you tonight  
Why don't you call  
All I need is you tonight  
To catch my fall

I'd die for you over and over again  
But I guess you've heard it all before  
You say times have changed, changed your ways  
But your absence makes me need you more and more  
It's a brand-new start and now I know that I should've  
Loved you then...

All I need is you tonight  
Why don't you call  
All I need is you tonight  
To catch my fall

All I need is you tonight  
Why don't you call  
All I need is you tonight  
To catch my fall- that's all

Solo

All I need is you tonight...
