Detrimental assets, money down the drain  
C-C-Cash in all their pockets  
(let's) ride the gravy train

Playing at casinos, yachts and caviar  
Mistresses and champagne  
Apartments and fast cars

Bridge:  
Dehumanise resources, fix the budget plan  
A grey suit revolution, hide the paper trail

Chorus:  
You take a number for a number  
Take a penny for a dime  
A number for a number  
Another dirty crime

Capital expenditure, global energy  
Upsize all the markets, cost is misery

Siphon off the excess  
Secretive accounts  
Documents and contracts  
Third world body count

Bridge...

Chorus...
