We hit your mind
We hit your soul
One of a kind
Always more and more

Thunder above
Lightning below
We're overhead
Nowhere else to go

Please, take my hand
It's so hard to stand
Never surrender, no time
Day after day
The game is to stay
Open your heat and you'll feel

SHELL SHOCK FEVER
SHELL SHOCK FEVER
AND WE GIVE YOU A HIGH
SHELL SHOCK FEVER
SHELL SHOCK FEVER
AND WE LIGHT UP THE SKY

We won't give up
Don't take the crap
Over and out
Take it high and low

We deal the dice
Join in the game
Make you alive
Turning on and on

Please, take my hand
It's so hard to stand
Never surrender, no time
Day after day
The game is to stay
Open your heat and you'll feel

SHELL SHOCK FEVER

SHELL SHOCK FEVER
AND WE GIVE YOU A HIGH
SHELL SHOCK FEVER
SHELL SHOCK FEVER
AND WE LIGHT UP THE SKY
