Ticking like a time bomb
Counting on and on
Entering the danger zone
Coming to your town
I could stay forever
Living in your soul
I am not for hire
I'm just rock'n'roll
The devil walks alone
The devil walks alone
The devil walks alone
The devil walks alone
Kicking like a thunderball
Straight into your brain
Power to the jungle law
Catch the heavy train
I am yours forever
Got you by the balls
Make it now or never
Take it heart and soul
The devil walks alone, ...
