Trainride in Russia

poezd po rossii-idet iidet
poezd po rossii-sto gramm ivpered
perestuk koles-neob yatna dal
poezd nas unes-k natshalu vscech natshal

here i tell my story
believe what i have seen
and nothing had prepared us
the welcome we received

coming back from kazakhstan
the gear has not arrived
the fans geared up and ready
we rocked them for their lives

trainride in russia-again and again
trainride in russia-nastrovje man to man
the rolling of the wheels
the distance of the land
trainride in russia-that's where it all began

with igor and with fitty
naked in the car
shouting at each other
who the fuck's the tsar

swetlana was a darling
her face will never fade
she made lorenzo happy
showed him the russian way
chorus

and our crew was blinded
a challenge they did raise
the russian guys were ready
and won the vodka race

when drinking with the pilots
a southern comfort round
then stefan's fear of flying

came crashing to the ground

chorus

parading for their victory
army, air and corps
looking up the building
where udo was the star

and when the tour is over
we're never quite the same
already miss our comrades
until we meet again

chorus
