Whisky was forbidden  
Money from the hand  
Deadly prohibition  
Corruptive layerman  
Judges in the pockets  
Of the families  
The east side  
And the westside  
The river stands between  
Priests and hitmen  
Hail the old god  
Money makes you free  
It's a vendetta - vendetta  
It's a vendetta, ...  
The thompson  
And the casket  
The roseries and beads  
The head scarved  
Veiling mothers  
The grandmas  
On their knees  
The smacking of bambinos  
The kissing on the cheek  
The meatball and the mincer  
Speak-easies on the streets  
Priests and hitmen, ...  
It's a vendetta, ...  
Money for extortion  
The skimming from the top  
Godfathers and lieutenants  
The massive ruling mob  
Easy girls and gambling  
Paddy waggon meat  
The backroom holy masses  
Forgiving dirty deeds  
Priests and hitmen, ...  
It's a vendetta, ...
