Creeping in the moonlight  
Hiding all demands  
Always in frustration  
Sticky, dirty hands  
Smelling on the underwear  
Filling body holes  
Drinking human liquids  
Better when it's cold  
I am a walker  
I am a stalker  
Living free and living fast  
Coming in the shadows  
Who is there behind the mask  
Passenger of pleasure  
Walker of the dark  
Mover in the twilight  
Walker of the dark  
Squirting in the moonlight  
Pulling on the rubber  
Another ecstasy  
A fisting in the morning  
Licking dirty feet  
A rat runs up the tunnel  
Satisfies the needs  
Chained up in the dungeon  
A pain way to be pleased  
I am a walker  
I am a stalker  
A ramrod dirty talker  
Living free and living fast, ...  
Walker of the dark, ...  
Walker - I am a stalker - pleasure
