Now I'm back with a vengeance

Didn't want to stay - to stay away from you  
No illegal fun - you had me hypnotised  
Cheap and on the run - a bad reputation  
Now the time has come - to take the blame away

To fly the clouds so high  
And touch the sun  
Into a desperate sky  
And the nightmare's begun

Now I'm back with a vengeance  
I am back with a vengeance

Never been my style - to hide away from you  
Like a wayward child - you tried to paralyse  
And to cage my heart - bad recommendation  
Now the fear has gone - there's zero left to say

To fly the clouds so high  
And touch the sun  
Into a desperate sky  
Wait for the terror to come

Now I'm back with a vengeance  
I am back with a vengeance

To fly the clouds so high  
And touch the sun  
Into a desperate sky  
So the horror has won

Now I'm back with a vengeance  
I am back with a vengeance, ...
