Song by Kool & the Gang

Mmmmmmm oh, yeah
What a night

Oh, yes, it's ladies night
And the feeling's right
Oh, yes, it's ladies night
Oh, what a night
(Oh, what a night)

Oh, yes, it's ladies night
And the feeling's right
Oh, yes, it's ladies night
Oh, what a night

Girls, y'all got one (one)
A night that's special everywhere
From New York to Hollywood
It's ladies night
And girl the feeling's good

Oh, yes, it's ladies night
And the feeling's right
Oh, yes, it's ladies night
Oh, what a night

Romantic Lady, single baby
Mmmmm sophisticated mama
(Whooooooa)
Come on you disco lady, yeah
Stay with me tonight, mama ,yeah

If you hear any noise
It ain't the boys,
It's ladies night, uh-huh

Gonna step out ladies night
Steppin' out ladies night
Gonna step out ladies night
Steppin' out ladies night

Oh, yes, it's ladies night
And the feeling's right
Oh, yes, it's ladies night
Oh, what a night
(Oh, what a night)

Oh, yes, it's ladies night
And the feeling's right
Oh, yes, it's ladies night
Oh, what a night

On disco lights
Your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is your night, baby
You've got to be there

Well, this is your night, tonight
Everything is gonna be alright
This is your night, tonight
Everything is gonna be alright
This is your night, tonight
Everything is gonna be alright
This is your night, tonight
Everything is gonna be alright
This is your night, tonight
(Come on let's all celebrate)
Everything is gonna be alright
This is your night, tonight
Everything is gonna be alright
This is your night, tonight
(Come on let's all celebrate)
Everything is gonna be alright
This is your night, tonight
Everything is gonna be alright
This is your night, tonight
(Come on let's all celebrate)
Everything is gonna be alright
This is your night, tonight
Everything is gonna be alright
This is your night, tonight
(Come on let's all celebrate)
Everything is gonna be alright
