Song by Oasis

Hold up  
Hold on  
Dont be scared  
Youll never change whats been and gone

May your smile (may your smile)  
Shine on (shine on)  
Dont be scared (dont be scared)  
Your destiny may keep you warm

Cos all of the stars  
Are fading away  
Just try not to worry  
Youll see them some day  
Take what you need  
And be on your way  
And stop crying your heart out

Get up (get up)  
Come on (come on)  
Whyre you scared? (Im not scared)  
Youll never change  
Whats been and gone

Cos all of the stars  
Are fading away  
Just try not to worry  
Youll see them some day  
Take what you need  
And be on your way  
And stop crying your heart out

Cos all of the stars  
Are fading away  
Just try not to worry  
Youll see them some day  
Take what you need  
And be on your way  
And stop crying your heart out

Were all of us stars  
Were fading away  
Just try not to worry  
Youll see us some day  
Just take what you need  
And be on your way  
And stop crying your heart out  
Stop crying your heart out  
Stop crying your heart out
