Song by Smash Mouth

It aint no joke Id like to buy the world a toke
And teach the world to sing in perfect harmony
And teach the world to snuff the fires and the liars
Hey I know its just a song but its spice for the recipe
This is a love attack I know it went out but its back
Its just like any fad it retracts before impact
And just like fashion its a passion for the with it and hip
If you got the goods theyll come and buy it just to stay
in the clique

Chorus:

So dont delay, act now supplies are running out
Allow, if your still alive, six to eight years to arrive
And if you follow there may be a tomorrow but if
The offers shun, you might as well be walkin on the sun

Twenty five years ago they spoke out and they broke
out
Of recession and opression and together they toked
And they folked out with guitars around a bonfire
Just singin and clapin man what the hell happened
Some were spell bound some were hell bound
Some they fell down and some got back up and
Fought against the melt down
And their kids are hippie chicks all hypocrites
Because fashion is smashin the true meaning of it

Chorus:

It aint no joke when mammas hankercheif is soaked
With the tears because her babys life has been revoked
The bond is broke up so choke up and focus on the
closeup
Mr. wizard cant perform no God like hocus pocus
So dont sit back kick back and watch the world get
bushwacked
News at 10:00 your neighborhood is under attack
Put away the crack before the crack puts you away

You need to be there when your babys old enough to
relate

Chorus:
