Anyday, now..it's gonna start-my real life.

and anyday, now..everything is gonna be alright..

Anyday, now..life's gonna get real good.

and somehow..life'll be like I sed it would

Anyday, now-mark my word

Anyday, now-I will be heard!

Anyday, now-my shipt will finally come in...

Anyday, now..I'm gonna jump right in.

and anyday, now..my destiny will begin.

and until then I'll just be here

wasting my time...

but, don't you worry,

I'll be just fine..

Anyday, now-mark my word!

Anyday, now-I will be heard!

Anyday, now-my ship will

finally come in
