have you heard da news, today?

i left you in the dust, and that's where you'll stay.

you never mattered anyway.

you don't really know how to play the game.

if i shed my skin, i won't feel:

(if i shed my skin)

if i close my eyes, i won't see you:

(if i close my eyes)

if i cover my ears and i won't hear:

(if i close my ears)

i shut my mouth and i won't tell

the truth.

you have a venomous tongue.

you deserve an iron lung:

you're spending your time obsessing -

and your hate will not ever let you be:

if i shed my skin, i won't feel:

(if i shed my skin)

if i close my eyes, i won't see you:

(if i close my eyes)

if i cover my ears and i won't hear:

(if i close my ears)

i shut my mouth and i won't tell

the truth about you:
