"Moment Of Weakness"

I stand in the pouring rain
You couldn't even be there to pick me up
Yer taking me for granted, again
Yer running outa time, and yer outa luck!
Just a moment of weakness
I should examine my head!
Just a moment of weakness
I never meant a word I said
I'm sick with the Beijing Flu
and you chosse THEN not to come home.
A week later I caught you
kissing a girl who was my clone!
Just a moment of weakness
I should examine my head!
Just a moment of weakness
I never meant a word I said
Oh, why should I stay and pretend?
you make me laugh again
My darling, truth is-we are not even friends!
oh, love comes and it goes.
where yer heart stops-no one knows...

how did I wind-up in the is mess, here-with you!

Just a moment of weakness

I should examine my head!

Just a moment of weakness

I never meant a word I said
