i picked you up on a gray day - the new jersey turnpike

i'll give you lots of yummy candy if ya like

sophia, your hair is like silk.

sophia, your skin is like milk.

that truck stop, baby, everybody loved you.

i held you close, you were mine - everyone knew.

sophia, el perro in madrid.

sophia, the one i love es usted (in this van)

me and sophia driving all week,

giggling and wiggling our feet.

gotta make time so we cannot stop.

wearing just panties 'cause it's too hot.

rolling fast through every hick town.

when you pant at me, sophia, i know what you're thinking.

it feels so hot, i'll bet you'd rather be drinking.

sophia, just hold on forty miles.

sophia, i live for all your smiles (in this van)

me and sophia driving all week,

giggling and wiggling our feet.

gotta make time so we cannot stop.

wearing just panties 'cause it's too hot.

rolling fast through every hick town.

tank of gas better last 'til sundown
