can you remember chestnut street  
and algae ripping at our feet?  
i was just a little girl  
and you were my whole world.  
what i'd give to be lying in your arms,  
what i'd give to be your girl again:  
did you know that you were my first love?  
did you know it's you i still dream of?  
i've grown up a lot since then  
my nostalgic heart will never mend.  
what i'd give to be lying in your arms,  
what i'd give to be your girl again:  
(what i'd give to be your girl again
