pray you'll always keep yer daughter

safe and free from harm.

i wish that everyone lived in a happy place:

sunshine and bright eyes on everybody's face.

it's not about me.

it's not about you.

it's not about them or what they do.

it's not about pride it's about:

we must all understand

violence lies

it's not about me.

it's not about you.

it's about life.

it's not about me.

it's not about you.

it's not about them or what they do.

it's not about pride it's about:

we must all understand

violence lies

it's not about me.

it's not about you.

it's about life.

(open our eyes, you and i, children die, mothers cry,
violence lies
