(Ft. Jay Z & Missy Elliot)

[Missy]

Is that your bitch?
Why she paging hi'm?
Keep praising hi'm?
Cause that's Jay and them bitch

[Jay-Z]

Cool out homie
You betta keep her away from my balling clique
Keep her out of nightclubs all in the mix
From hanging out with chicks who be swallowing dicks
From catz who order Cris play the floor with the Knicks
It can only lead to something unfortunate
Hot boy like Jigga man scorch your bitch
Play the floor dot Jigga man go first
Then we all rock till we all hot
You know the boy from the Roc got them whores on
lock
Got the bitches in the smash
Making yours drive fast
Do we get more cash than the average nigga?
All dem hoes like damn I gotta have this nigga
Cause I'mma hot black, how in the hell can you stop
that
You can fuck mine
How the hell can you knock that?
I'm just playing the cards choosenly
Jigga man who ya supposed to be?

[Missy]

Oh is that your bitch
Why she all in his six?
With her hand on his dick
Keep licking her lips
Is that your bitch?
Why she all in his ride?
With her hand on his thighs
Keep looking in his eyes
Oh is that your bitch?
You better tell her chill

While you all in his grill
Don't you know that man kill?
Is that your bitch?
Why she paging hi'm?
Keep praising hi'm?
Cause that's Jay and them bitch

[Uffie]

Let me tell you what I do when my day is over
After picking the right clothes for about an hour
Oh i'm turning orange from all the carrots around my
neck
Tonight i'm taking out the bling and i'm dressed to
impress
I'm getting ready for my night out-out-out on the town
I'm lookin hot cuz you know we-we-we are holding it
down
Rockin' high tops and saying no to stelletios
Cuz I might get drunk on off my ass, and I don't wanna
fall
Out on the streets all the taxi's are showing me love
Cuz i'm shinin' like a princess in the middle of thugs
And in the club the bouncers recongnize my face
So while you waiting in the line we just enter the place

Let's get this party started right
Let's get drunk and freaky fly
You with me son it's alright
We gonna stay up the whole night

Let's get this party started right
Let's get drunk and freaky fly (fly I I I I I I I I er)

I'm calling all my ladies
At the table of 3
Throwin back a couple bottle
And then the tabs on me
Having some giggles
Then we start to get crazy
Table dancin, smashin glasses
It starts to get naughty
Now we are ready to head out of the VIP
I'm lookin good and I can feel that all eyes are on me
It's time to show them how we do it on the floor
So while the DJ play my track
I want my girls on the floor
Now you know I made an anthem for all my hot shit
And how I aint about how weak girls are raising your
dicks
I got the surrend sound so why you wanna see me fall

I'm just tryin' to have a blast and I ain't takin' your call

Let's get this party started right
Let's get drunk and freaky fly
You with me son it's alright
We gonna stay up the whole night

Let's get this party started right
Let's get drunk and freaky fly (fly I I I I I I I I er)

We know all the flyest ladies are on my team
And we know how to make that nice hot fuckin' scream
We getting ugly in the club, we look a little trash
But all the ballers in the club know we got that class
I'm bringin' lower this crew at the after party
Just got in the hotel room, and this is getting started
Better wake the fuck up cuz we not hear to sleep
Uffie is hyped up in this bitch, and I'm bangin' this beat
Now you and you let's take it to the next the level
Let's all go to the hotel pool as we finish the bottle
Let me kiss and don't tell it's the rule around here
You must have me under a spell I lose control when
your near

Let's get this party started right
Let's get drunk and freaky fly
You with me son it's alright
We gonna stay up the whole night

Let's get this party started right
Let's get drunk and freaky fly
You with me son it's alright
We gonna stay up the whole night

(fly I I I I I I I I er)
