Breaking out in miami

And im ready to fuck

You ready?  
You ready?  
You ready?

The people are looking and the heads are turning (You ready?)  
But what you see in the morning, (You ready?) (You ready?)  
Is that you coochie is burning  
Yea you a pathetic whore, (You ready?)  
Who always wanted more (You ready?)  
But when he walks through the door, (You ready?)  
Your knees drop to the floor  
Now hoes got dreams as well,  
Tryin to make a pimo proud

Its a fantasy to sell,  
When your heads with the clouds  
These ladies are pro actors,  
Got men thinkin they above  
But inside adding up factors,  
That's why they get no love  
Tryin tryin tryin tryin to make a pimp proud,  
Now hoes got  
Dreams as well trying to make a pimp proud,  
Trying tryin tryin  
Tryin to make a pimp proud,  
Hoes make a pimp make a pimp hoes  
Make a pimp proud
