(Feat. Justin Timberlake)

Girl, Girl [x7]

If I wrote you a symphony,
Just to say how much you mean to me (what would you do?)
If I told you you were beautiful
Would you date me on the regular (tell me, would you?)
Well, baby I've been around the world
But I ain't seen myself another girl (like you)
This ring here represents my heart
But there's just one thing I need from you

See, all I want you to do is be my love
My love
My love
Ain't another woman that can take your spot, my love
My love
My love
Ain't another woman that can take your spot, my love

Girl, Girl [x7]

On my way to Miami (Girl, Girl)
I see all kind of freak (Girl, Girl)
From ickysticky bitches (Girl, Girl)
To fetish friendly tricks (Girl, Girl)
When I go out (Girl, Girl)
Some like get me drunk and wild (Girl, Girl)
But the only thing you get tonight (Girl, Girl)
Is my fucking drink type (Girl, Girl)
Yes I'm a like (Girl, Girl)
Hot chick that you can't even touch (Girl, Girl)
I like this cold ass bitches (Girl, Girl)
I ain't ready to suck (Girl, Girl)
Uffie is here the boys are screaming (Girl, Girl)
And the club is packed (Girl, Girl)
And this one is for all my ladies (Girl, Girl)
Who like to shake it like that (Girl, Girl)

Now, if I wrote you a love note
And made you smile with every word I wrote (what
would you do?)
Would that make you want to change your scene
And wanna be the one on my team (tell me, would
you?)
See, what's the point of waiting anymore?
Cause girl I've never been more sure (that baby, it's
you)
This ring here represents my heart
And everything that you've been waiting for

See, all I want you to do is be my love
My love
My love
Ain't another woman that can take your spot, my love
My love
My love
Ain't another woman that can take your spot, my love

Girl, Girl [x7]
