Verse 1:

Call me a quitter, and call me a fool  
I roll with the punches baby, do what I need to do  
Enough with the crying, enough with the blame  
I'm not a coward, I just don't see any point to this  
game

Pre-chorus:

I say it's over, you say it's not  
Babe I already know this cause I gave you everything  
that I got  
Or maybe it's you, you, you, yeah you  
Or mostly it's me  
See I need some time to myself indefinitely

Chorus:

This is my goodbye, woah  
I tried to let you down easy  
(Easy, easy, easy, easy)  
This is my goodbye  
Oh-oh-oh  
No it wasn't easy  
(Easy, easy, easy, easy)

Verse 2:

Call me a faker, call me a jerk  
I'm sorry you're hurting, but there's no way I can  
make this thing work  
I'm not gonna settle, and neither should you  
So find someone better, go on, be strong, don't be a  
fool

Pre-chorus:

I say it's over, you say it's not  
Babe I already know this cause I gave you everything  
that I got  
Or maybe it's you, you, you, yeah you  
Or mostly it's me  
See I need some time to myself indefinitely

Chorus:

This is my goodbye, woah

I tried to let you down easy  
(Easy, easy, easy, easy)  
This is my goodbye  
Oh-oh-oh  
No it wasn't easy  
It wasn't easy  
(Easy, easy)
