Gotta give you love, oh, cherry  
Dance for me there's only you  
Play the barrooms just for pennies  
Wish I wasn't just passing through

Tell me your secrets  
Tell me no one way lyin? now  
We are golden, we are golden

And I'm out here on the road  
I feel just like a rolling stone  
Into the highways of the night  
I roll alone

On the tabletops she's dancing  
Sit and smile into your beer  
Turn around no cherry for me  
Let me know you know I'm here

We are golden, we are golden

And I'm out here on the road  
I feel just like a rolling stone  
Into the highways of the night  
Making it feel all right

Come on cherry let's make it together  
Out of the neon and into my life  
We can't play this game forever now

Gotta give my love, oh, cherry  
Dance for me there's only you  
Play the barrooms just for pennies  
Wish I wasn't just passing through

Tell me your secrets  
Tell me no one way lyin? now  
We are golden, we are golden

I'm out here on the road  
I feel just like a rolling stone  
Into the highways of the night

I roll alone
