??

Rolling in pain, wish I was a babe, I'll be again
I'll be a good boy I wish I could
Lord please have mercy misunderstood
Cold turkey has got me on the run

Sent me to the right man, fever is high,

Wish I was a babe, I'd kiss the sky,
I'll be a good boy, I wish I could,

Lord please have mercy, misunderstood
Cold turkey, has got me on the run on the run babe, on
the run

(relentless duet)

??? writhing, fever is high,
Wish I was a baby, wish I could die
I'd be a good boy, I wish I could,
Lord please have mercy, misunderstood
Cold turkey has got me . . . on the run
