"Looking Out For No. 1"

Visit "[Looking Out For No. 1](#)" on MotoLyrics.com

Just a kid with a crazy dream wants it all before he's
seventeen
Don't know where to begin
With a wild thought he knows the fact, no no there's no
looking back
Just gotta stand up and make it real

How does it feel to be right out on your own
Just gotta keep looking out for #1

Some people make it and others don't try, they seem
happy to live out a lie
I'm right here on my own
Me I'm a gambler and I pay for my sins, I've been right
there and I'm back again
Just gotta stand up and make it real

How does it feel to be right out on your own
Just gotta keep looking out for #1

Let's get away right out of here, it's not soon enough
for me
Breaks of a lifetime it's there like a lifeline, reach out
and grab it it's free

-- (short instrumental)--
How does it feel right out on your own
Just gotta keep looking out for #1

-- (another short instrumental) --

How does it feel right out on your own
Just gotta keep looking out for #1

How does it feel...to be out on your own... just gotta
how does it feel to be out on your own, just gotta keep
lookin' out for #1
How does it feel to be out etc.
How does it feel
