Living in a one-room  
If I don't fall in love soon  
Hangin' on the telephone  
If I don't get your call soon

Every night I spend alone  
I've never been so low  
And this room is closing in  
If I die who will know

In the name of love  
Is there someone left for me?  
In the name of love  
Set this heart free

Dreaming of a playmate  
If I don't fall in love soon  
Strangers on a dark night  
But it's all over too soon

Every night I spend alone  
I've never been so low  
And this room is closing in  
If I die who will know

In the name of love  
Is there someone left for me?  
In the name of love  
Set this heart free

In the name of love  
Is there someone left for me  
In the name of love  
Set this heart free

In the name of love  
Is there someone left for me  
In the name of love  
Set this heart free

In the name of love  
Is there someone left for me

In the name of love  
Set this heart free
