Said she came from Memphis  
You can look but, please don't touch  
Didn't like rock and rollers  
It seemed a bit much too much

'Cause it's the natural thing, you feel at the start  
Natural blood starts to flow  
Yeah, the natural thing, you get at the start  
Then she'll never let you go

Hey girl, now does it feel alright  
Think I'm gettin' through  
Don't you think the band's real tight  
Wait till we start to move

May sound funny, but you gave it to me  
I didn't even like it  
May sound funny, but you gave it to me  
And now I got to live without it

Why'd you do it?  
Why'd you do it?

I been down to Atlanta  
Got to move my feet  
Gettin' down for the last encore  
With every star she meets

'Cause it's the natural thing, you feel at the start  
Natural blood starts to flow  
Yeah, the natural thing, you get at the start  
Then she'll never let you go

Hey girl, now does it feel alright  
Think I'm gettin' through  
Don't you think the band's real tight  
Wait till we start to move

May sound funny, but you gave it to me  
I didn't even like it  
May sound funny, but you gave it to me  
And now I got to live without it

Why?d you do it?  
Why?d you do it?  
Why?d you do it?

Why?d you do it?  
Why?d you do it?  
Why?d you do it?

May sound funny, but you gave it to me  
I didn't even like it  
May sound funny, but you gave it to me  
And now I got to live without it

Why?d you do it?  
Why?d you do it?  
Why?d you do it?

Why?d you do it? yeah  
Oh, God, why?d you do it?  
Why?d you do it?
