## "Oh My"

Well, I'm struttin' up and down tryin' to get my face in  
town  
Wonderin' where the hang on or turn each time around  
Look in your mirror just to see my face  
Two way time, baby, it's no disgrace

Oh my, oh how the times have changed  
Oh my, oh how the times have changed

Ladies used to dancin' but I move for real  
Lookin' for reaction, something you can feel  
When you dance I move and they look me in the eye  
Two way time, baby, it's no lie

Oh my, oh how the times have changed  
Oh my, oh how the times have changed

Oh my, oh how the times have changed  
Oh my, oh how the times have changed

Oh my, oh how the times have changed  
Oh my, oh how the times have changed  
Oh my, oh how the times have changed
