My sweet darling night
How the city swings
A little kiss of angels
A little tune of things
And she mesmerizes,
captivates
A message for
a heart that aches
now you are 16
and your stuck in jail
18 plus
there's no sign of bail
And she mesmerizes,
captivates
A message for
a heart that aches
My thousand dollars
ain't going nowhere
And the revelations
kiss, tell, and dare
I've got a perfect view
of what I want to do
I've got a perfect view
am I getting through to you?
21 is easy,
but I don't know why
There's no difference
this bird will fly
My thousand dollars
ain't going nowhere
And the revelations
kiss, tell, and dare
I've got a perfect view
of what I want to do
I've got a perfect view
am I getting through to you?
Solo
And she mesmerizes,
captivates
A message for a
heart that aches
My sweet darling night

How the city swings
A little kiss of angels
A little tune of things
My thousand dollars
ain't going nowhere
And the revelations
kiss, tell, and dare
I've got a perfect view
of what I want to do
I've got a perfect view
am I getting through to you?
I've got a perfect view
of what I really want to do
I've got a perfect view
am I getting through to you?

Perfect view

I've got a perfect view
