Junk food, radio, all the news and nowhere to go
TV guide and the late, late show, I stayed late, I didn't
know
Hold on, you got me coming like a shot now from a gun
I said hold on, I'm your hero, X rated number 1

Tough boys, hot boyz
Come on baby, feel the noise
Tough guys, rough guys
No room for a compromise

Shifting metal, six string steel
Gonna move you like a [unverified]
Fire it up feel the pain
I'm gonna hit you like a runaway train

Rock boys, hot boys
Come on baby, feel the noise
Tough boys, rough boys
No room for a compromise

Rock boyz, hot boyz
I'm gonna give you some bad, bad noise
Tough guys, rough guys
No room for a compromise

Rock boys, hot boys,
Gonna give you some bad, bad noise
Tough guys, rough guys
No room for a compromise

Rock boys, hot boyz
Gonna move you with some bad, bad noise
Tough guys, rough guys
You're in trouble, we'll supervise

Rock boys rock, rock boyz rock
Rock boyz rock, rock boy rock
Rock boyz, hot boyz
Come on baby and feel the noise

Tough guys, rough guys

Gonna give you some bad, bad noise
Rock boys, hot boyz, rock boyz rock
Tough buys, rough guys, rock boyz rock
Right between the eyes
