Ruby darling's got a crazy walk
The boys love her with that dirty, dirty talk
Singles bar with the broken light
Just a easy touch, a lady of the night

Ruby darling, I need you
Cross my heart and promise to be true

And you tell me that you can't change
Your life's been set, prearranged
Hold on tight 'til the morning light
'Cause we belong to the night

Well-known face in every door
Street kids come and tryna make the score
Patrol car stopped, talk for a while
But they let you go with a warning and a smile

Ruby darling, I need you
Cross my heart and promise to be true

And you tell me that you can't change
Your life's been set, prearranged
Hold on tight 'til the morning light
'Cause we belong to the night

And you tell me that you can't change
Your life's been set, prearranged
Hold on tight 'til the morning light
'Cause we belong to the night

Life goes on down the streets
Contacts made where the gay boys come to meet
Keep saying it's your last night
Give up this life for me without a fight

Ruby darling, I need you
Cross my heart and promise to be true

And you tell me that you can't change
Your life's been set, prearranged
Hold on tight 'til the morning light

'Cause we belong to the night

And you tell me that you can't change
Your life's been set, prearranged
Hold on tight 'til the morning light
'Cause we belong to the night
