Hello, hello busy city  
You let your light shine bright  
Hello, good day,  
Good morning and good night

Hello, hello to the Heartland  
You make me feel just right  
Hello, good day,  
Good morning and good night.

[Chorus:]

Hey world, I hope you're listening when I say how  
The more places that I go  
The more I seem to know  
I think you're beautiful  
I think you're beautiful.

Hello, hello blue water  
How lovely is your tide  
Hello, good day,  
Good morning and good night.

Hello, hello Grand Canyon  
You're reaching up to the sky  
Hello, good day,  
Good morning and good night.

[Chorus:]

Hey world, I hope you're listening when I say how  
The more places that I go  
The more I seem to know  
I think you're beautiful  
I think you're beautiful.

Waiting on the wind, takes me where it wants to  
My suitcase's always there  
So I'm ready for you.

[Chorus: (x2)]

Hey world, I hope you're listening when I say how  
The more places that I go

The more I seem to know  
I think you're beautiful  
I think you're beautiful.

I think you're beautiful.  
I think you're beautiful.
