How am I to tell that it's over baby? please  
I try to understand  
Nothing lasts forever if you had it all you'd leave  
I try to understand

You can take or you leave it  
But it's not easy, boy  
Don't you leave me  
I try to understand

You can take or you leave it  
But it's not easy, boy  
Don't you leave me  
I try to understand

How am I to tell that it's over baby? Please  
I try to understand  
Nothing lasts forever if you had it all you'd leave  
I held you in my hands  
Nothing had been planned for me

Boy,  
Don't you leave me  
I try to understand

You can take or you leave it  
But it's not easy, boy  
Don't you leave me  
I try to understand

You can take or you leave it  
But it's not easy, boy  
Don't you leave me  
I try to understand

You can take or you leave it  
But it's not easy, boy  
Please believe me

How am I to tell that it's over  
She is over

And nobody else could ever know  
No  
I try to understand

Baby please  
I try to understand  
Baby please  
I try to understand  
Don't you leave  
I try to understand

No  
I try to understand  
Don't you leave me  
I try to understand
